PROGRAM CONDUCTED

Hands-on Workshop on Git and SDLC Fundamentals

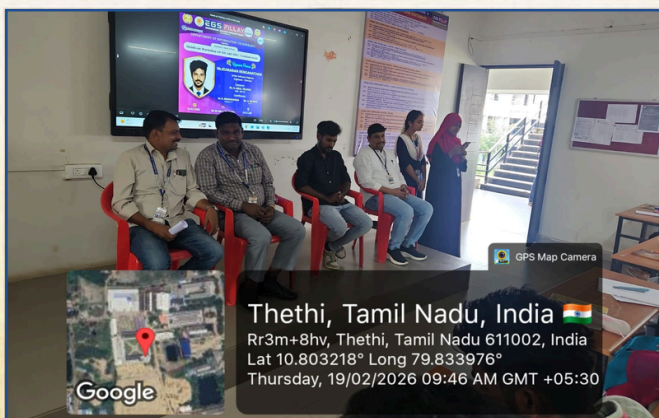

The Department of Information Technology successfully organized a **Hands-on Workshop on Git and SDLC Fundamentals** on 19th February 2026 at CC3..

The program was conducted as part of industry—institute interaction to enhance students technical and professional skills.

The session was handed by **Mr. Kumaran Renganathan**, Senior Software Engineer, Cognizant, Chennai. The resource person explained the fundamentals of version control systems and the importance of Git in modern software development. He also discussed the stages of the Software Development Life Cycle (SDLC) and their role in building reliable software systems.

Students actively participated in hands-on activities related to Git commands, repository management, and collaborative development practices. The program helped the students to understand world software development workflows and industry standards.

PROGRAM CONDUCTED

The Department of Information Technology, EGS Pillay Engineering College, Nagapattinam, in association with the Cool Coders Club, successfully organized a **Hands-on Workshop on Cloud Computing** titled “An Overview of Cloud Services with a Practical Approach” on 20.02.2026. The workshop was conducted from 10.00 AM to 12.30 PM with the objective of providing practical exposure to cloud technologies.

The session was handled by **Mr. S. Ramprakash M.E., (Ph.D.)**, Assistant Professor, University College of Engineering, Thirukuvalai, Nagapattinam. The resource person explained the core concepts of cloud computing and various cloud services, emphasizing their practical applications in real-world scenarios.

Students actively participated in the hands-on activities, which helped them understand cloud environments and basic cloud operations. The workshop enhanced the students' technical knowledge and improved their awareness of industry-relevant cloud computing practices.

PROGRAM DETAILS

Title: Hands-on Workshop on Cloud Computing

Date: 20.02.2026

Duration: 2 Hours 30 Minutes

Venue: CC3 lab

Mode: Physical

Resource Person: Mr. S. Ramprakash M.E., (Ph.D.)

Participants: 70 Students

Organizers: Department of Information Technology & Cool Coders Club

OBJECTIVES OF THE PROGRAM

- To introduce the fundamentals of cloud computing and cloud services
- To provide practical knowledge of cloud service models and platforms
- To enhance hands-on skills in working with cloud environments

E.G.S. PILLAY ENGINEERING COLLEGE & Career Guidance Cell (CGC – EGSPCC)

PROGRAM CONDUCTED

Talent Talk: “Classroom to Corporate – How to Crack Interviews & Industry Expectations”

The Department of Information Technology in association with the Career Guidance Cell successfully organized a **Talent Talk** titled “**Classroom to Corporate – How to Crack Interviews & Industry Expectations**” on 27th February 2026 at 9:30 AM in **PG Block**.

The program aimed to guide students in transitioning effectively from academic learning to professional careers by providing practical insights into interview preparation, workplace behavior, and industry expectations.

KEY HIGHLIGHTS

- ▶ Cracking technical and HR interviews
- ▶ Understanding real-time industry requirements
- ▶ Developing problem-solving and communication skills
- ▶ Building a strong and professional profile
- ▶ Adapting to workplace culture and corporate expectations

ORGANIZING TEAM

Career Guidance Coordinator: Dr. G. Sundara Vadivel

Convenors: Dr. G. Arul Selvan, HoD / IT

COORDINATORS

- Dr.R. Manivannan Professor / IT
- Mr. S. Rajesh, AP / IT

The Department sincerely thanks the Management, Faculty Members, Career Guidance Cell, and the Chief Guest for their valuable support in making this program a grand success.

CHIEF GUEST

Mr. Vinodhan G

Senior Software Engineer,
Tata Communications

The Chief Guest delivered an inspiring and informative session, sharing his professional journey and motivating students by offering valuable advice on career development and employability skills.

DEPARTMENT OF INFORMATION TECHNOLOGY ORGANIZED A MOTIVATIONAL WEBINAR

22 FEBRUARY 2026 FROM 03.00 PM TO 04.00 PM

WEBINAR REPORT

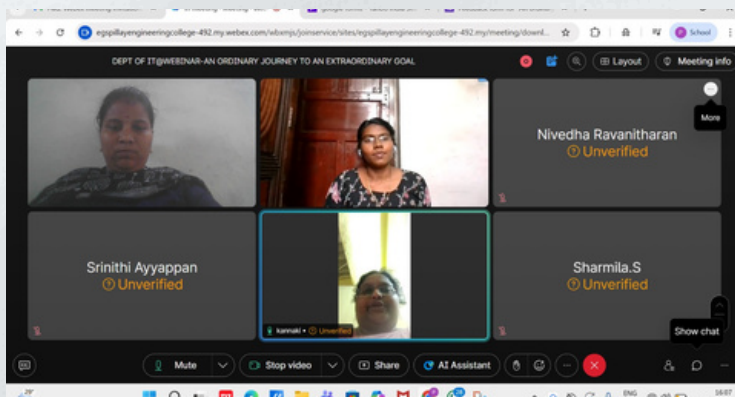

AN ORDINARY JOURNEY TO AN EXTRAORDINARY GOAL

The Department of Information Technology organized a motivational webinar titled “An Ordinary Journey to an Extraordinary Goal” on 22 February 2026 from 03.00 PM to 04.00 PM through virtual mode as part of the academic activities for the Even Semester (2025–2026).

The session was delivered by “Ms. Abarna Ragavan”, Junior Assistant, Treasury and Accounts Department, Thiruvavarur. The webinar aimed at inspiring students through a real-life success story and guiding them towards achieving their academic and career aspirations.

Key topics discussed during the session included:

- * Overcoming challenges and learning from failures
- * The importance of discipline and time management

► About the Session

The resource person shared her inspiring journey from an ordinary background to securing a respectable position in the government sector. She emphasized that success is not defined by one's starting point, but by determination, discipline, and consistency.

► Participation and Engagement

Around 180 students actively participated in the webinar. The session was interactive, and students enthusiastically engaged in discussions and clarified their doubts regarding exam preparation and career planning.

► Objectives of the Webinar

- * To motivate students through a real-life success journey
- * To build self-confidence and a positive mindset
- * To encourage perseverance and consistency
- * To create awareness about government and competitive examinations

Feedback collected after the session reflected that the program was highly motivating and beneficial.

Editorial Team: Mrs.R.Pratheba
Coordinator: Mrs.R.Pratheba, Dr.K.Kannagi
Institution: E.G.S.Pillay Engineering College (Autonomous)
Nagapattinam

OUTCOMES OF THE PROGRAM

- * Understand the value of hard work and discipline
- * Develop resilience in facing challenges
- * Gain clarity in setting academic and career goals
- * Recognize the importance of lifelong learning
- * Strengthen ethical values and professional responsibility

CONCLUSION

The webinar served as a powerful reminder that extraordinary achievements stem from ordinary beginnings backed by consistent effort and strong determination. The Department of Information Technology expresses its sincere gratitude to the resource person for delivering an inspiring and impactful session.
